FOREWORD...

In these times of war we must make two basic changes in our way of life, a complete change in our actions and a complete change in our thinking.

Our change in actions in school is brought about primarily by the change in our opportunities and courses. Our school in former years has leaned more towards the cultural type of education. Now, as the entire world is engulfed in war, we have had to convert every concern and institution to all out war effort. This transition can easily be seen in Alameda High School. Many courses have been introduced into high school for the first time within the last year. In the shops instructors prepare us for the production, repair, and maintenance of products used in the war. The academic courses prepare us for further training in the varied fields supported by the armed forces. Science courses prepare us for essential civilian and military occupations. In the R.O.T.C. the boys are given much valuable training which will be of great use when they join the armed forces.

Our change in thoughts is something less tangible, something not fostered by marching in parades or making speeches, but something nurtured from within. It is an urge to do the utmost for the furtherance of the war. The majority of students probably have this feeling although they cannot express it.

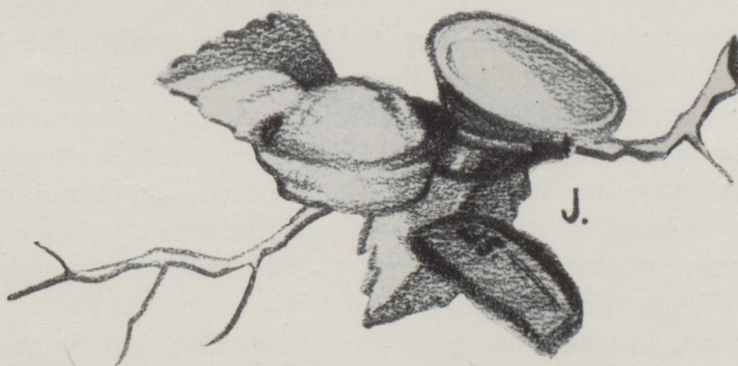

We of the staff of the 1943 ACORN have endeavored to capture the spirit and life of the Alameda High School during war and to retain some of the peaceful school life of normal times. We hope as you read your 1943 ACORN you may recall many forgotten, happy thoughts and pleasant events.

DEDICATION...

"There are in the world two powers—the sword and the spirit. The spirit has always vanquished the sword."

—NAPOLEON

To the spirit in which the men and women who were former students of Alameda High School serve their country at home and abroad, this book is reverently dedicated.

MR. BRYAN'S MESSAGE

The students of the class of June, 1943, are to be congratulated on the splendid record they made during their four years of high school. Seventy members of the class made a "B" average or better, and one hundred sixty members of the class, or 63%, made a "B-" or better. If the class roster of two hundred fifty-three names were arranged according to rank in scholarship, two hundred twenty-five names would be passed before a student with an average mark of "C" was reached. Only twenty-eight students fell below a "C" average and only five below a "C-".

Marks made in high school play a most important part in the future success of a student. Universities, colleges, civil service bureaus, many branches of the armed services, and almost all business concerns now ask for a transcript of a student's high school record when he applies for admission to a higher school or seeks employment in some branch of the government or in a business. Good marks open the way to better positions and to higher education, while poor marks block the individual on every side. Bet-

ter positions naturally carry with them higher incomes, which in turn mean higher standards of living.

Employing concerns want to know many other things about the student before they make him a member of their organizations. They want to know if the student is honest, if he is trustworthy, if he is regular in attendance, if he is prompt in doing assigned tasks, and if he gets along well with other people. Inquiries differ somewhat, but they all want to know if the student's citizenship was satisfactory and if we can recommend him.

It is a real pleasure for us to answer an inquiry when we can say nice things about a student and when we can send a transcript of record that shows good marks throughout four years of high school. It is not such a pleasure to answer letters for the small percentage of students who make poor marks, who think it is smart to cut classes, and who are unreliable in other ways.

For the past several years, the average mark for all students in Alameda High School in all subjects has been closer to a "B" than to a "C". Any student can determine his position in the school in relation to other students by an examination of his marks. If he has more "A's" and "B's" than "C's", he is better or at least equal to the average student. If he has more "C's" than "B's", he will fall below the average.

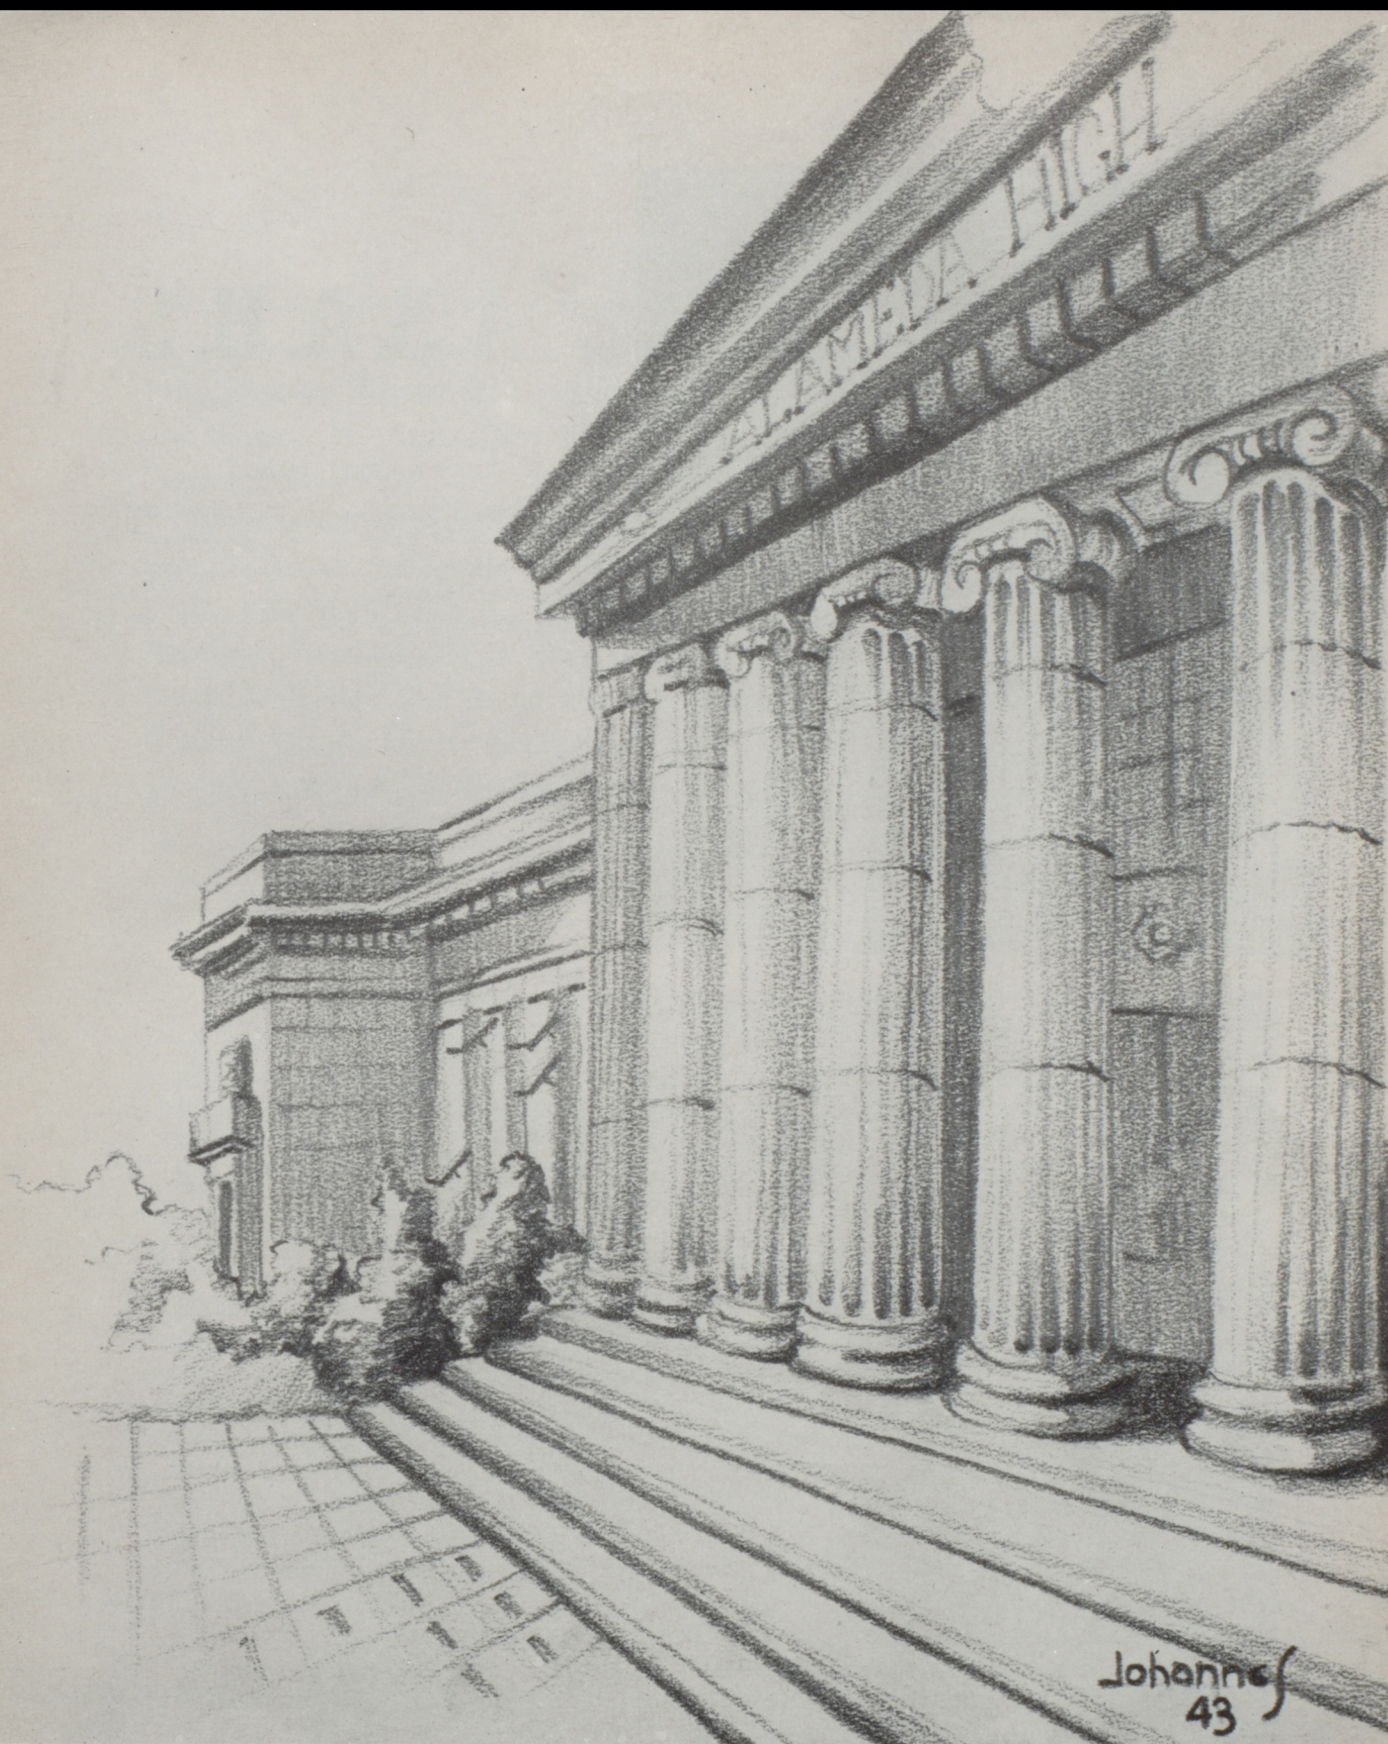

Absence from school causes more poor marks than any other single reason. A student cannot do good work when he has a poor attendance record. The work in a class goes forward each day. A student who is often absent soon finds himself behind in his lessons and is likely to lose interest. Regular attendance and reasonable application to school work will assure almost any student good marks. Home study is absolutely necessary for the student who takes heavy courses and who wants to make recommending marks for college.

A good high school record is probably the best investment a student can make. It will pay high dividends in the years ahead. Make your high school record count.

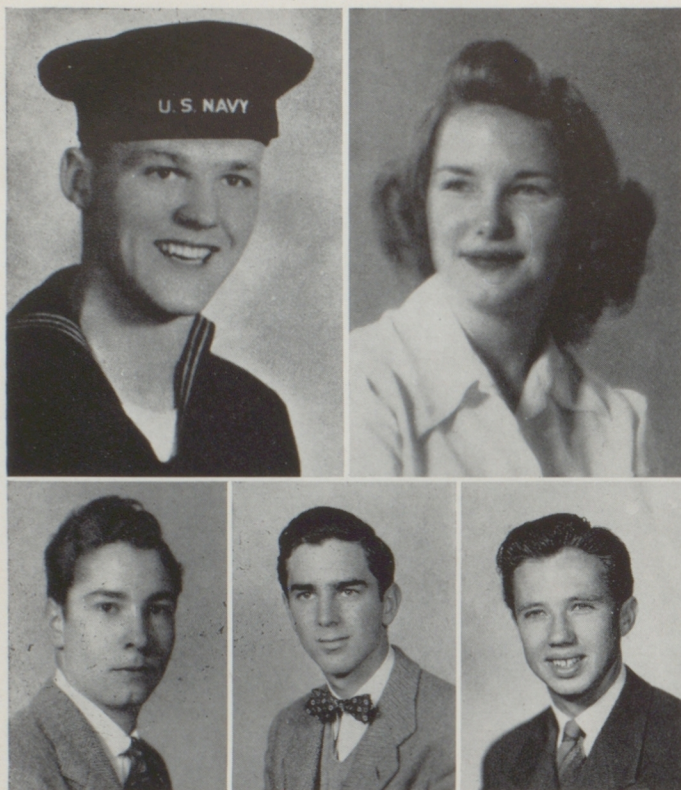

To Mrs. LeHew, faculty adviser, Kenneth Smith, editor, and to the ACORN Staff, I express my deep appreciation and thanks for the splendid manner in which they have worked together to make the 1943 ACORN a success. They have overcome many difficulties and have quietly and efficiently published an ACORN of which we can all be proud.

FALL 1942

President.....DEAN HAMILTON
Vice President.....VIVIAN URSIN
Recording Secretary.....BOB BURKE
Financial Secretary.....JACK TURNER
Yell Leader.....ED FRY

The fall term of 1942 was the most trying term ever faced by an A. S. A. H. S. administration. The Alameda student body was forced to face the fact that the United States of America was at war with the Axis and school was not to be "as usual."

President Dean Hamilton arranged some splendid meetings for the pleasure of the students.

A highlight of this administration was the enlistment of our president, Dean Hamilton, in the United States Navy. Dean was called to active duty shortly before his term of office expired. Vivian Ursin, vice-president, completed the term as president. She filled her office admirably as both students and faculty will testify. Recording Secretary Bob Burke, conscientiously fulfilled the duties of his office and, also, presented the student body with a new leather minute book to be used by future recording secretaries. Jack Turner, financial secretary, achieved the "impossible" when he announced that for the first time in many years the student body was paid up one hundred percent for student card dues. Ed Fry was a fine and spirited yell leader. Ed's fine leadership, the support and yells of the students, and the splendid coaching of Frank Collin, inspired the football team to capture second place in the A.C.A.L.

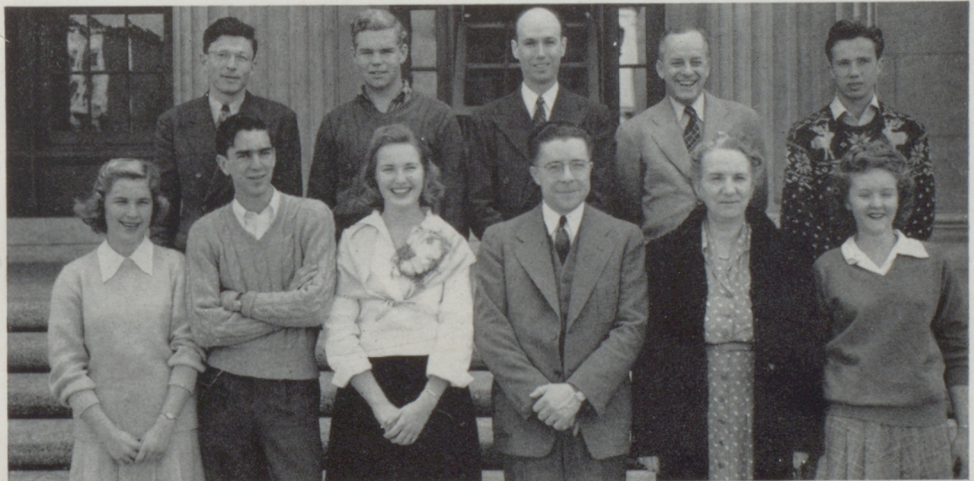

The officers of the A.S.A.H.S. for the fall 1942 wish to thank the student faculty committee, both boards of control, the administrative board and all persons who helped make this an outstanding administration.

Respectfully submitted,
 BOB BURKE,
Recording Secretary, A.S.A.H.S.

Vice President.....MAXINE BROWN
Recording Secretary.....BINFORD RANDOLPH
Financial Secretary.....CONWAY CATTON
Yell Leader.....BILL COOPER

In the spring term of 1943 the administration promised to secure entertaining student meetings and to promote athletic events. Each officer has helped to fulfill this promise. Ed Fry's fine spirit and ability as a leader assured a successful administration, Maxine Brown, our popular and capable vice-president, was always ready to help in any way possible, Bin Randolph kept accurate minutes, Connie Catton worked hard for a 100% student body, Bill Cooper provided lots of spirit and was a fine yell leader.

The Student-Faculty Committee receives our thanks for the assistance given us in securing entertaining student meetings. Among the outstanding meetings were the Government Island Coast Guard Band Concert, the student talent program, the 217th Coast Artillery Band Concert, the entertainment by the Camp Ashby Singers, and the program by the Blind Association which was climaxed by the remarkable performance of Pierce Knox at the xylophone.

We wish to thank all the committees and organizations for the splendid help given us in the past term. We especially want to thank each member of the student body for his fine coöperation.

As Freshmen, we, the Class of June, 1943, were dazed and somewhat awed by the immensity of the buildings and the complexity of high school life. However, through the kind help of advisers and teachers, we soon became adjusted and proceeded to make ourselves a necessary part of all school activities. We were consoled by the fact that our new principal, Mr. Bryan, could also be called a "Frosh." Phil Coney was our president during both the Low and High Freshman terms.

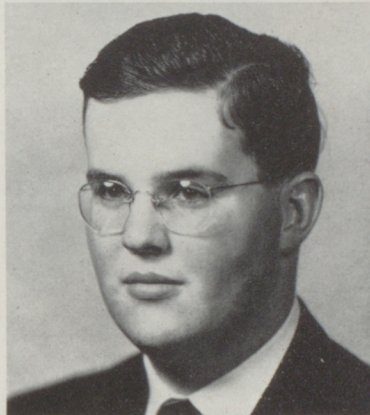

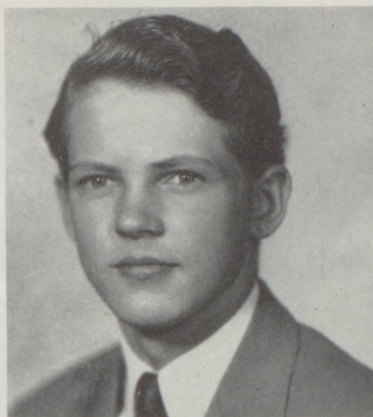

Activities in our Sophomore year included the "Scotch Hop," which was ably managed by Barbara Roth, Shirley Kihn, Bob Burke, and Noel Smith. We elected Jack Woodfin president in our 2A term and Eddie Fry president in the 2B term.

Then came the time which is looked forward to by all students, when we could proudly say, "I'm an upperclassman." In football we had Ernie Kellberg, Pete Christie, Buzz Roberts, Bill Cooper, and Phil Coney; in baseball we were represented by Dell Hall, Vern Hall, Jim Pingree, Bob McCreery, and Ray French, who also played Varsity Basketball; in swimming by Charles Dorr and Bob Young; in track by Ralph Dolan, Bob Armstrong, Bruce Rodgers, Dick Millar and Bob Saxton; in golf, by Eddie Fry, Bob Unthank, Ernie Kellberg, George Randolph, Paul Cox and John Roach. Our Junior Year was finished off successfully, with the Jungle Prom which was managed by Paul Cox, ably assisted by Phil Coney and Barbara von Schmidt. Jack Ludlam was the President of the class in our Low Junior term; Ernie Kellberg was president in our High Junior term.

We entered our Senior year with George Randolph our chief executive. One of our first activities was the presentation of "George Washington Slept Here," the most successful Senior Play ever presented in Alameda High School. This production, under the able direction of Mr. Lloyd Sisler and management of Paul Cox, Betty Van Den Bergh, and Phil Coney, broke all records for the sale of tickets. The cast included Bob Burke, Jeanne Cohn, Eddie Fry, Happy Matthews, Bruce Rodgers, Donna McMillin, Bob McCreery, and Leo Collins. We had our traditional Senior Picnic in our High Senior year, under the leadership of Paul Cox, at Lake Anza and it was agreed by all that it was a picnic they would never forget.

Yes, we had a grand time, but we also studied. Fifteen of our classmates are life members of the C.S.F., and a large number are members of the Star and Key Society. Top honors go to Lena Caviglia, our valedictorian, and to Barbara Ackley and to Paul Cox, who took second and third places respectively, in a class whose average was exceptionally high.

To the faculty advisors and to our other teachers, as well as to Mr. Bryan, should go the credit for our success. Throughout the entire four years they have never refused to help and guide us in social and class activities. To them, we express appreciation and thanks.

With the meekness and humility becoming freshmen, the Class of January 1944 entered Alameda High School. Who would recognize them as the sponsors of the great Paradise Prom and that hit "Arsenic and Old Lace?"

The Lollipop Hop, which promised to be a great success, was canceled because of unexpected war conditions. It was being capably managed by John Wendt and Shirley Brown.

The memorable Paradise Prom made up for the disappointment by proving itself a complete financial and social success. This was managed by Ray Teakle and his co-manager was Jan Allgoewer.

Our next venture was to select the Broadway hit "Arsenic and Old Lace" as our unforgettable Senior Play. The cast included Theresa Chrisand, and Jean Morris as the two old maids, Dick Frost and Aileen Nielsen supplied the love interest; Teddy portrayed by Rodger Witham, gave the play a

more humorous touch, while Bob Moss' likeness to Boris Karloff created a hair-raising atmosphere. Directed by one of our class advisers, Mr. Sisler, and managed by John Wendt and Jackie Dufour, it was a record breaking performance.

We not only excel in social activities but our class is also represented in sports. Connie Catton, Ben Gintjee, Bill Priest and Ross Bedford are on our undefeated tennis team. Al Broughton and John Archibald are outstanding in track and Pete Vallergera in football.

Our class advisers have helped us immensely in all our ventures. We sincerely appreciate their assistance and counsel. Now as our four years stay at Alameda High will soon draw to a close, we hope the classes after us will have the good times that we have had here.

In September of 1940 another freshman class passed into the portals of Alameda High School. At the time, it seemed they were just another group of "scrubs," but in the ensuing terms amazing changes took place. The school traditions and standards began to mean more to the class of June '44 and soon they had absorbed the school spirit. The urge to achieve was created and as a result many outstanding talents were displayed in athletics, drama, and class politics.

Now, in our high junior year, another achievement has been added to the score. The "Starlit Prom," given on April 30, was a huge success. The manager was Dan Rourke and the co-manager was Doris Pederson. Honorable mention should be given to all the others who helped to put it over.

In our progress the class of '44 has learned to appreciate the helpful and cooperative attitude of the Alameda High school faculty.

The past year has been an outstanding one for us, the class of January, 1945. In the fall of 1942 we successfully presented the "Snowflake Fling." Thanks go to Don Ray and June Goltz for their fine work as Managers.

Our main event this term was the "Junior Jive", an afternoon dansant at which the chief attraction consisted of door prizes of two partly-filled War Stamp books.

The boys in our class have taken part in a varied program of sports this past year. Bill Orwig, Al Van Dale, Harry Gonsalves, and Frank Reed triumphed in football; Jack Weeden, Dick Fetherstonhaugh, Don Mehr-tens, and Bruce Jennings are good swimmers; and Fred Von Bargaen has contributed his talent to the baseball team. Leo Kahn and Hugh Williams went out for track, and Frank Reed is on the tennis team.

Several of our girls are also taking an active part in sports. This term Virginia Heseman won her Block A, which requires much hard work.

Now that we are upper classmen we plan to take an even more active part in student body affairs. We look forward to presenting our Prom next term and to the time when we will become Seniors.

The class of June, 1945, has become one of the most active classes in the school. We have participated in as many class activities as were open to us.

We have among our members many who are active in school sports. These include Joe Kaney, who has proved himself an outstanding athlete by becoming the high point man on our basketball team. Donald Pries, Fred Terry, and Jin McQuaid were also members of the baseball team.

Many from our class participated in the presentation of "Rio Rita."

We presented the semi-annual Sophomore Hop, "The Carefree Capers,"

with much success. Donald Pries was the able manager, and Jane Formosa was the co-manager. Maralyn Merrill's all-girl orchestra furnished excellent music and despite shortages and other difficulties resulting from the war, the dance was of great benefit to the class and to all who attended.

All those in our class have enjoyed our activities and they hope that the next two years will be as successful as the last two have been.

We, the members of the class of January, 1946, having entered upon our second year in high school may well look back upon our freshman year with satisfaction.

Each semester's activities in which we have participated have been so successful that we can enjoy the assurance of truly great achievement in the coming years.

This term our class events have included a dansant, the "Bunny Hop", and a gardenia sale, both of which were brilliant successes.

Our class boasts many outstanding members in the field of sports. On the "B" basketball team we are represented by our president, Dick Gans,

September 14, 1942, marked a big day in the lives of each and every one of the members of the class of June, 1946, for we entered high school at that time. On that day we were a little coy and not as "big time" as we were when we graduated from grammar school the previous June.

But, as the weeks passed, we gained confidence, and elected our executive committee. Starting out with high spirits, the class staged a dansant which was both financially and socially a success. Our class made another showing by being 100% student body members. As one may easily see, all of us take interest in school affairs.

The low freshman class has made a start that promises to make it a great success in Alameda High. Many of the students have turned out for sports and have won recognition. Among these are Phil Thormahlen, for football, and Wilbur Ramos, for baseball. These boys really have the school spirit and we all wish them lots of luck in the future.

THE ACORN STAFF

This year we have published a war-time ACORN. Because of scarcities and priorities, some features in the book have had to be lengthened while others were shortened. Many government regulations have come at crucial times and have made it necessary to alter plans again and again. In fact, the staff developed the elasticity of thought so characteristic of the present day American housewife. They simply did not plan until they had asked the question, "What will be available?"

The staff has worked in many fields but we have all had the same goal in mind, the successful completion of the 1943 ACORN. Now, as the last copy goes to press, we shall confine our worries to wondering whether or not the book will really reach the students on the day planned.

To the business manager, Win Currier, I want to extend my greatest thanks for the orderly and efficient way in which he has handled the many business problems of the ACORN. I wish to thank Mrs. LeHew, our faculty adviser, for her useful advice and untiring work on the book. Also, I wish to thank Mr. Bryan for the encouragement and support which he has given us during the whole time we have been working. There are many others who have helped us by writing articles, by taking pictures, and by giving advice when it was needed.

Often a book of this type is compiled by the staff and students have little to do with its production. This year innumerable students have assisted in many ways and we feel this 1943 ACORN represents the students.

This past year the Oak Leaf has enjoyed considerable success and has distributed more issues than for many years previous. This greater number of issues was due in great part to the efforts of our advertising staffs, whose hard work made our generous A.S.A.H.S. appropriation last longer. Thus, for the first time, an issue was put on a profit basis; also, another first was realized on June 9 with the eight page issue, the first of its kind ever published. Under the capable managership of Editors Cox, Currier and Randolph, and their hard working Managerial and Editorial Staffs, the Oak Leaf can boast of one of the best years it has ever experienced.

DRAMA

The players of the drama classes have been very busy during the past year, giving performances of some of the most popular plays that have been produced.

All dramatic productions are under the direction and supervision of Mr. Lloyd Sisler, an excellent teacher and director. Mr. Sisler, with the assistance of his students, design the costumes and with the help of Mr. Bert Getz construct the sets used in his productions.

MR. LLOYD SISLER

MRS. HAZEL HUNTER

MR. JOHN KAFKA

Students spend the time in the first semester of Drama in acquiring some of the fundamentals of dramatics such as improving their speech, developing the habit of better posture and understanding the principles that go into making a young actor. The second term is spent in actual practice, performing in one-act plays, such as "Comes Romance" and "Life Eternal," which were presented before the student body and were enthusiastically received.

When the Drama and Music departments combine their efforts, they usually produce smash hits such as the beautiful Christmas Pageant of last year and the very colorful operetta "Rio Rita." The music for both of these productions was directed by Mrs. Hazel Hunter, the head of the music department.

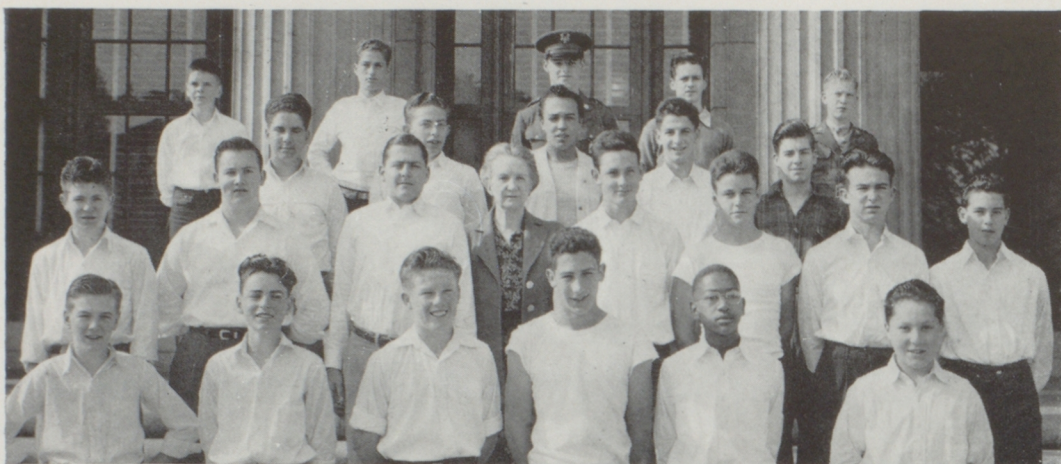

Two very good senior plays "George Washington Slept Here" and "Arsenic and Old Lace" were presented. Both of these plays will be remembered as dramatic successes.

Students in the drama classes are making a definite contribution to civilian morale in their production of entertaining plays. Several boys, former drama students now in the armed service, have written of having participated in camp shows, thus putting their dramatics experience to a very practical use.

In spite of the success of our recent offerings, the students and drama coach look forward to future productions as an opportunity for progress.

The Girls' Glee provided entertainment for the Parent Teachers Association at several programs. A special voice class was inaugurated under the direction of Mr. Lloyd Sisler. This group meets regularly for advanced vocal training.

All instrumental musical organizations which include A.H.S. Concert Band, R.O.T.C. Band, Swing Band, and Orchestra are under the direction of Mr. John Kafka. The swing band this year was scheduled to appear at three grammar schools to play for graduations. The orchestra has played for Carita Chapter of the Eastern Star at the Masonic Temple, and for the Parent Teachers' Association at the high school. The R.O.T.C. GREETINGS

During the last year a number of instructors have resigned or taken non-military leaves. The student body sends greetings and best wishes.

Mrs. Adelaide Fisk, our Dean of Women, took a year's leave of absence beginning in February.

Miss Hannah Oehlmann resigned her position in the language department.

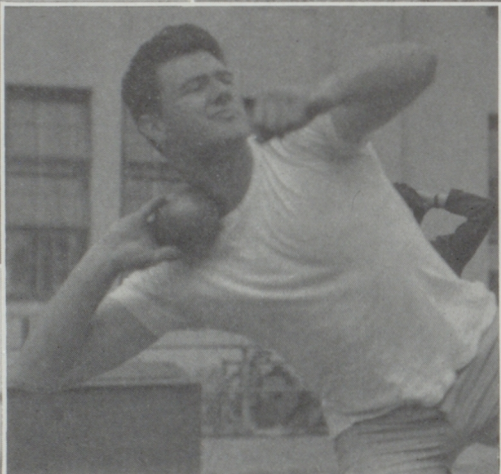

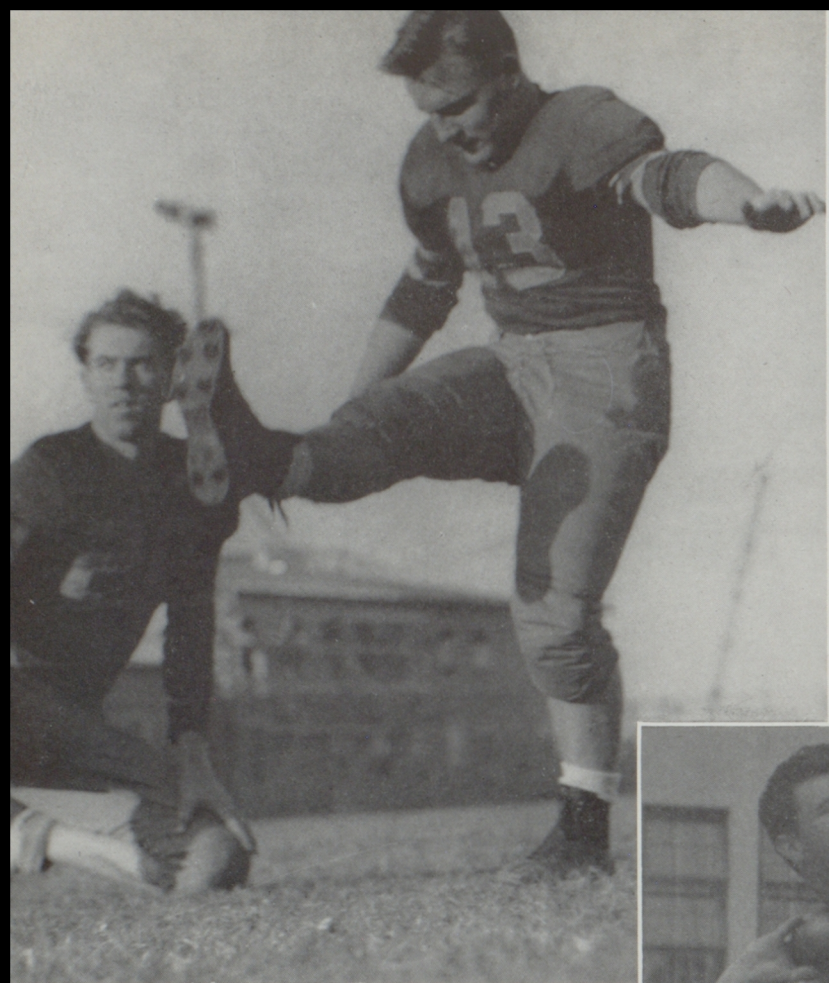

Sister Dolores Mary who was known to us as Miss Marry Geiger resigned her position in Alameda High to enter the Convent of Sisters of the Presentation in San Francisco.

Mrs. Beatrice Barrett has taken a year's leave to begin in June. She will do full time Red Cross work.

HATS OFF TO OUR COACHES

Though several members of the coaching staff either enlisted or were called into the nation's armed forces, they have been replaced by others who have been equally successful in the quest for Alameda championships in the A.C.A.L. Virgil Gilcrease, Chris Freeman and Chet Millett entered our fighting forces, though Mr. Millett returned to his former post after being released from the service.

The present physical education department consists of Lewis Jolly, who heads the staff and coaches track; Chet Millett, baseball mentor and assistant football coach; Frank Collin, who turned out excellent football and basketball teams; Frank Young, coach of the swimming and boxing teams; and Stan Schneppe, who handled the tennis and "B" basketball teams.

Never before has there been such a difficult task confronting the coaches throughout the country and Alameda High is indeed fortunate in having men with the ability and skill of our present staff.

For the preparation given the students for the crisis at hand and for their policy of developing clean play and sportsmanship, we sincerely say—HATS OFF TO OUR COACHES!!

BOB McCREERY

FOOTBALL

The fighting Hornets of Alameda High had one of the most successful seasons ever earned on an Alameda gridiron. Coach Frank Collin, in his first year at the Alameda High school, was greeted by several returning lettermen and by many good men sent up from Chris Freeman's reserve team. Collin developed them into a fighting squad that was good enough to take second place in the rugged A.C.A.L. competition.

After subduing San Mateo and Jefferson High schools in practice games, the Hornets trounced Richmond High by the decisive score of 18 to 6. The following week Alameda went from one end of the field to the other while being held to a scoreless tie by a scrappy, underdog Hayward eleven.

Alameda's traditional rival, Berkeley, held the high-flying Hornets to seven points while one of the strongest lines in Alameda history forced the Yellowjackets to score their only touchdown on a pass. A blocked conversion gave Alameda the victory.

The real climax of the season came the afternoon when Alameda lost to an unbeaten Piedmont squad by a 14 to 7 score. A disputed touchdown

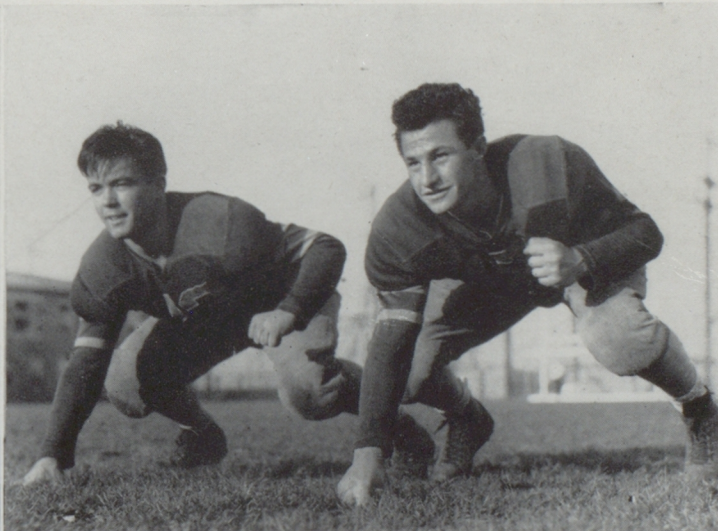

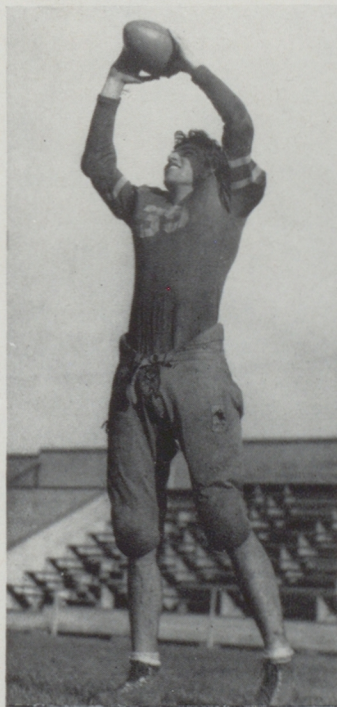

assured the Highlanders of the heart-breaking game over the inspired Hornets. Suffering from injuries, Alameda still controlled the ball a large portion of the struggle.

Suffering a let-down on the Albany "rock-pile," the Hornets managed to win only by a pass in the end zone shortly before the gun sounded. A post season game at Lodi High resulted in a scoreless tie.

Three Alameda seniors, Bryant Wong (two years) and Frank Ratto, co-captains, and Tony Ratto made the All-County Honorary Team. Had it not been for injuries, several more might have been selected. Senior lettermen not returning for next year's squad are Bryant Wong, Frank Ratto, Tony Ratto, Ralph Dolan, Dick Millar, Bob Yoas, Will Watt, Rudy Taube, Jim Pingree, Vic Lagorio, Ernie Kellberg, Harry Hedges, Richard Gonsalves, Pete Christie, and Paul Bowler.

Next year's team will be built around lettermen Bill Orwig, Carl Lagorio, Pete Valerga, Al Van Dale, and Harry Gonzales.

BASKETBALL

Alameda High's varsity Basketball Team captured the A.C.A.L. Championship after trouncing their co-champions, Berkeley, 39-19 in their last game before an hilarious home crowd.

Coach Frank Collin, who succeeded Virgil Gilcrease, did a very fine job in producing a championship team.

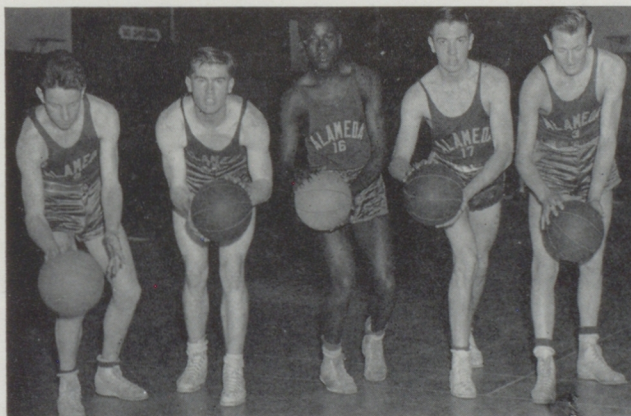

The Hornets were sparked to seven wins out of eight games by five outstanding players: Joe Kaney, high scorer of the A.C.A.L.; Bob Wuesthoff, a steady forward; Ray French, all-county guard; Wes Robinson, and Don "Duckie" Pries. Much support came from: Fred Terry, Bert Guiness, Stuart Inman, Ed King, Carl Ketchum, Jim McQuaid and Bill Wirt.

Only three players will be lost by graduation: Captain Ray French, Ed King and Carl Ketchum. Hence, prospects for a championship next season look good, with added strength from the "B" team.

The "B" team placed second in league competition, with Spangler, Pereira, Goltz, Babcock, Gans and others under the capable leadership of Stan Schneppe, also new to the Alameda coaching staff.

BASEBALL

The Alameda Varsity Baseball team became A.C.A.L. Co-champs by winning all but two of their league games.

Their title defense began with a 4 to 1 victory over the Albany squad. Next came a weird 15 to 9 win over a scrappy Berkeley team. Hayward was the next team to fall before the Hornets, and were defeated by a 7 to 1 count.

Alameda then hit a mid-season slump and dropped to a co-championship. The first of the reversals came at the hands of an inspired Albany team, the score standing at 4 to 2.

The next game was even a more miserable defeat. It was a wild tussle played at the Berkeley "Dust Bowl" and ended in an 8 to 7 victory. Alameda came to life just in time to end the season by drubbing Hayward 7 to 0.

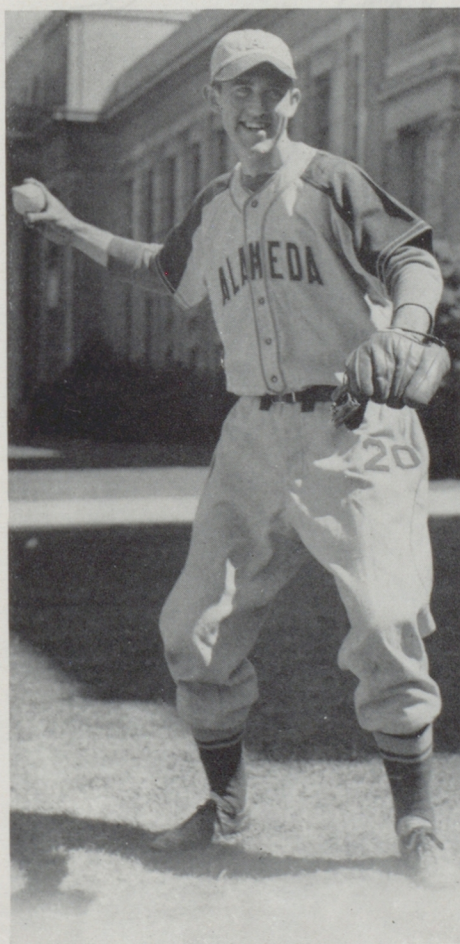

With three first string players from the undefeated 1942 team back to play their last season, the Hornets were definitely the "team to beat" throughout the season.

The starting lineup consisted of Bob Curlett, catcher; Fred Von Bargaen, pitcher; Don Pries, first base; Captain Bob McCreery, second base; Jim Pingree, left field; Ray French, centerfield and pitcher; and Carl Ketchum, George Childe and Jack Pereira, right field.

Coach Chet Millett deserves much credit in coaching his second championship team in his two years at the school.

The prospect for next year's team is once again very good, as only French, Pingree, McCreery, Ketchum and Pereira are not returning.

BOB MCCREERY

TRACK

Following several postponements due to bad weather, Alameda's 1943 track team is rapidly gaining strength. With a meet against Hayward and the A.C.A.L. finals to be held after the ACORN goes to press, the Hornets are determined to beat Hayward and take one of the first three places in the A.C.A.L. meet.

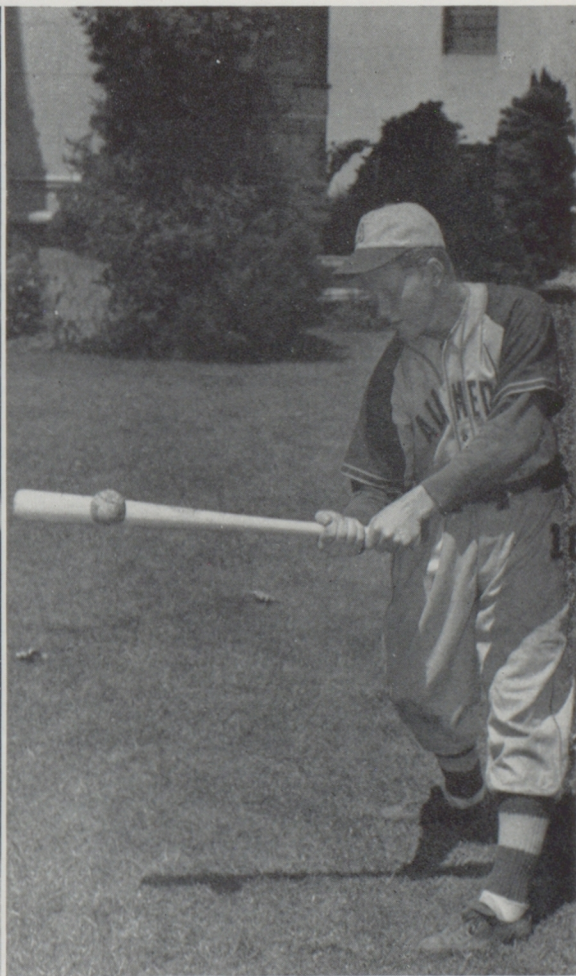

Two outstanding men developed by Coach Lewis Jolley are Ralph "Moose" Dolan and Al Broughton, who placed first in the shot put and

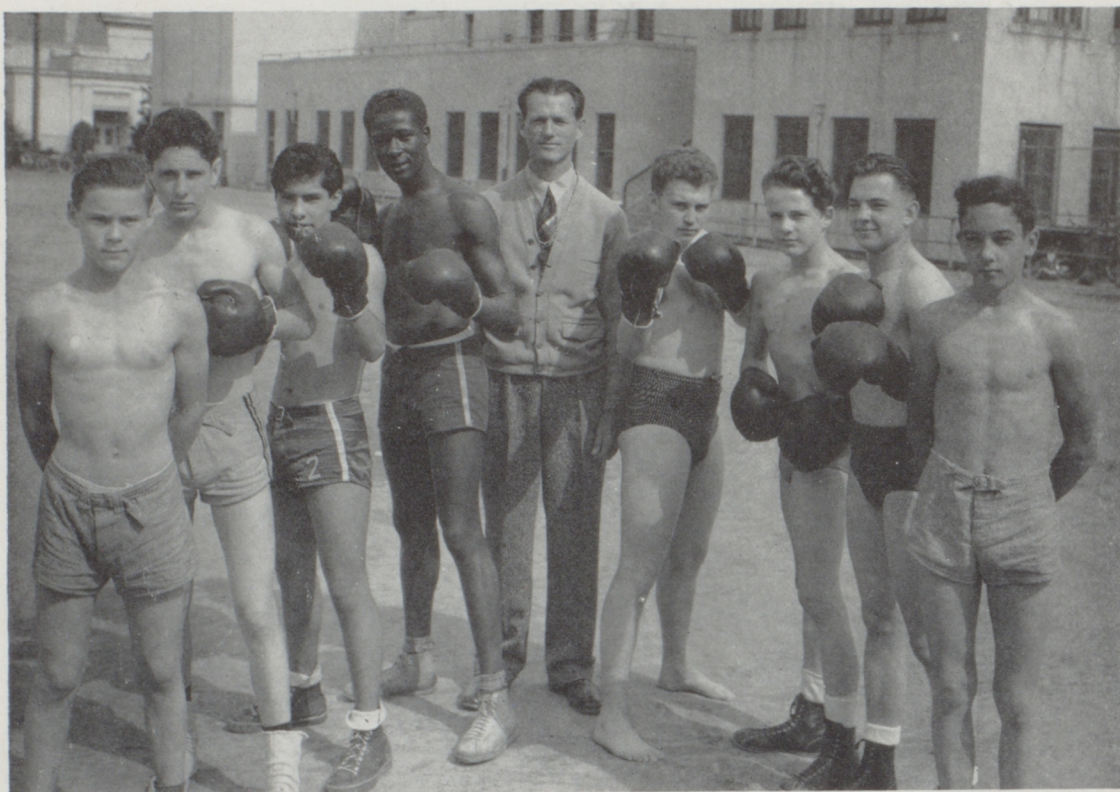

pole vault, respectively, in the N.C.S. meet at Stanford. Consistent point winners for Alameda have been:

Hugh Williams, in the hurdles and broad jump;
Dick Millar, in the 440 yard run;
Jack Hubbell, in the broad jump and 220 yard dash;
Frank Deines, in the pole vault;
Lloyd Wagner, distance man;
Leo Kahn, in the sprints;
George Barry, Ray Teakle, John Archibald, Walt Jensen,
Bert Guisness, Fred Terry, and Archie Bowles.

CARL KETCHUM

Due to the fact no track action pictures are available, photographs of Bob Curlett and Jim Pingree of the championship baseball team are being substituted.

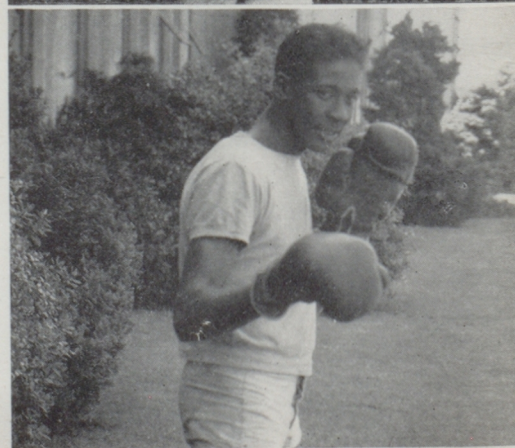

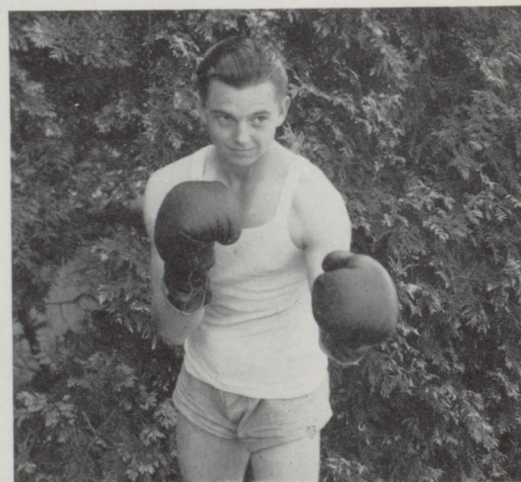

BOXING

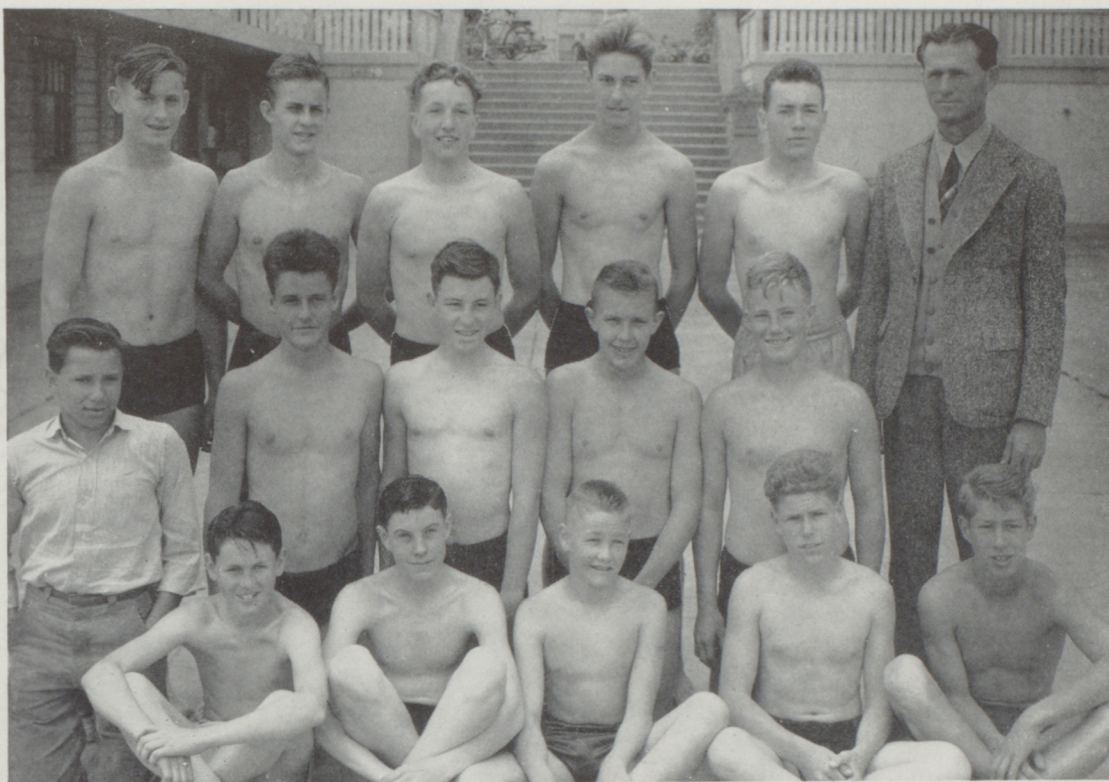

With Coach Frank Young, former middle-weight at U.C.L.A., serving as instructor, a boxing team has been organized at Alameda High.

Though no blocks are awarded for their efforts, there is a possibility of inter-scholastic competition for the squad next year.

Members of the team are Wes Robinson, Tom Conlon, Bert Joy, Bob Lowthian, Ernie Butler, Ronald Quinn, Jack Cook, Bob Faria, and Carl Rose.

BOB MCCREERY

SWIMMING

Alameda's swimming team placed second to Berkeley in the A.C.A.L.; they were overcome by sheer weight of numbers. Frank Young, who replaced Chris Freeman, did a fine job of coaching. The best performance of the year was by Jack Weeden, who won the 100 yard back stroke in the A.C.A.L. meet. Other Hornet mermen were:

Bud Guisness, who placed second in the 50 yard freestyle at the A.C.A.L. finals.

Bruce Jennings, 100 yard freestyle;

Jim Shields, 220 yard freestyle;

Ted Sawyer, 100 yard freestyle;

Rocky Mountain, 100 yard breast stroke;

Warren Parkinson, 220 yard freestyle;

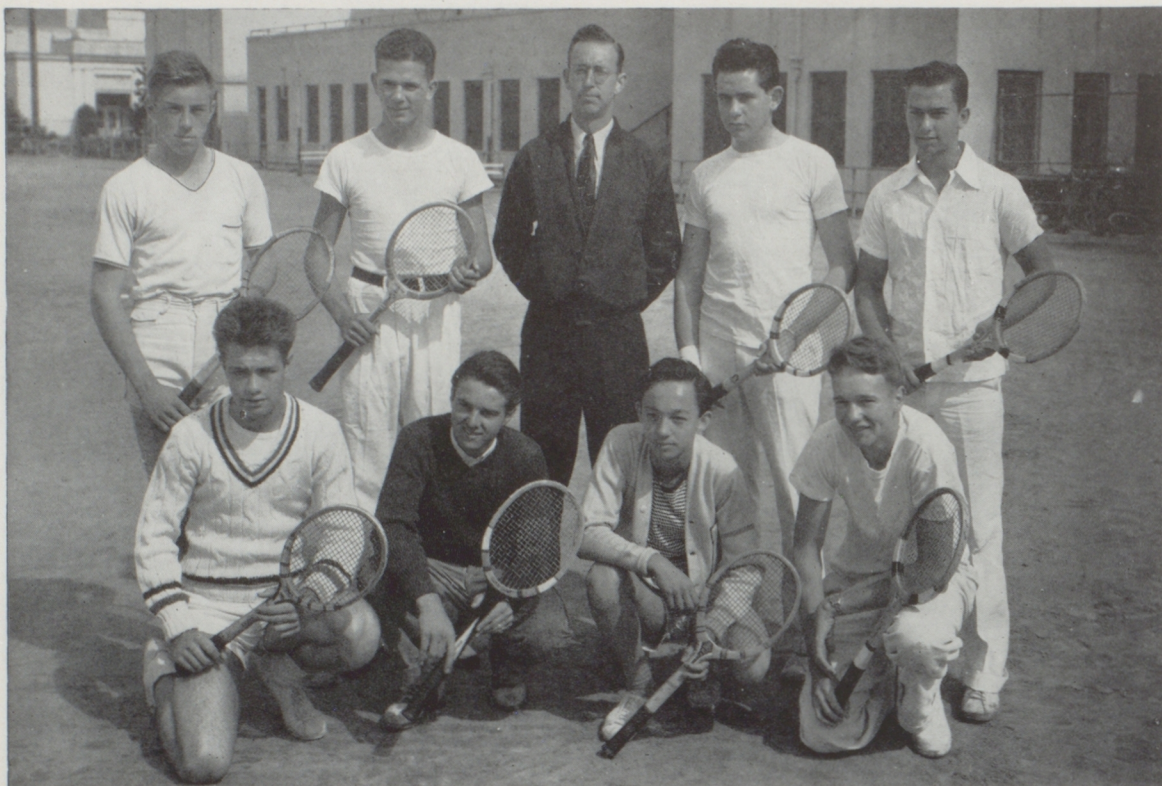

Bill Simpson, 100 yard breast stroke;

John Correa, 50 yard freestyle;

Chuck King, in the class "B" diving.

With the N.C.S. meet to take place after the ACORN goes to press, our swimmers will close a very short season, which has been marked by cancelled meets and other difficulties; however the boys have obtained fine results when up against stiff competition and prospects are very bright for next year's team.

CARL KETCHUM

TENNIS

Alameda, the undefeated championship team, had the most successful season ever experienced by a Hornet net team.

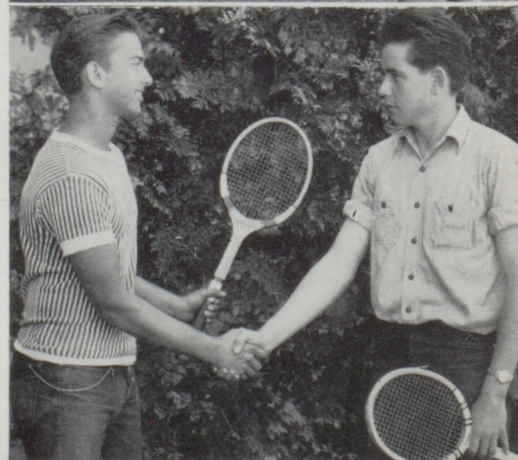

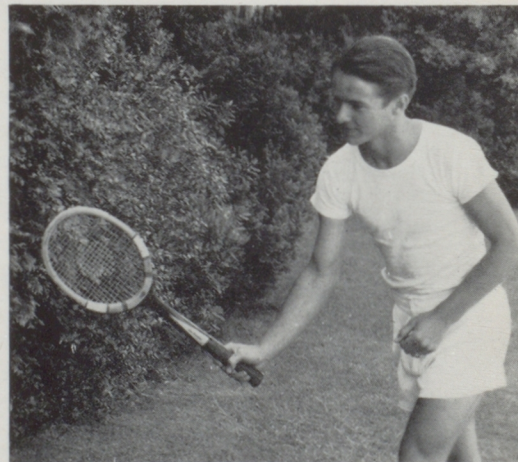

The team was lead by Connie Catton, number one singles player, who completed his second consecutive undefeated season. The first doubles team of Dick Strehlow and Ray Lewis also went undefeated in A.C.A.L. competition.

The team was expertly coached by Stan Schneppe, who has come to the Alameda coaching staff only this year. Not since 1936 have the Hornets had a championship squad.

Aside from Catton, Strehlow, and Lewis, other members of the team are Bob Mason, Sherman Keck, Ben Gintjee, and Frank Reed, in the singles, and Ross Bedford and Bill Priest, who complete the doubles.

Standings: Alameda, Piedmont, Berkeley, Albany.

FACULTY IN THE SERVICE

Lt. (j.g.) Chris Freeman, whose picture is here, is better known to us as friend and coach. Mr. Freeman is working in the Navy's physical fitness program for the duration. He is stationed in the college at Athens, Georgia.

The Staff planned to get pictures of some of the other faculty members in service. However, it proved to be a pretty hard task to get in touch with them.

On behalf of the student body we would like to send greetings to the following list as well as to Mr. Freeman:

To Lt. Charles Briscoe who is now stationed in Louisiana.

To Lt. Bob Carlton who is stationed at St. Mary's College.

To Lt. Col. Fred Goldman who is at Fort Mason.

To C.P.O. Virgil Gilcrease who is now in Texas—or so we heard.

To Lt. Comdr. Charles Cox who is stationed at Alameda Naval Base.

To Pvt. Al White who is in the medical administration corps at Camp Barkley, Texas.

To Lt. (j.g.) Kenneth Cooperrider who is leaving for training in the east as this goes to press.

The Girl's Athletic Association is unique in our school in that it is the only organization that meets every day, during sixth period. The girls have the opportunity of engaging in a wide variety of activities as well as team games. One war casualty has been the much-lamented crew on Lake Merritt. The transportation for a hundred girls proved too much of a problem.

Events which will always be remembered include the playday in Berkeley, the two playdays at the University of California, and the playday at S. F. State; our Victory Corps Spread, at which Lieutenant Tova Peterson was guest speaker; the student meeting at which Donna Markman presented her cabinet; the construction of joke books for the Army and Navy hospitals; knitting for the afghan; the sneak party after the California playday,—Candyland Yankee Doodle Dandy.

MR. REGINALD F. SAUNDERS, *Chairman*
 MISS MARY CONNELLY

MR. DARRELL COUGHLAN

The California Scholarship Federation is the biggest scholastic club in the school. A member who is in the club three terms, excluding his freshman year, and one senior term is a life member and is entitled to a life membership pin and a gold seal on his diploma.

We are proud to announce that one of our life members, Joyce Leyland, has won a Freshman Competitive Scholarship of \$400 to Mills College. Also, Paul Cox, a life member, was elected Vice President of our Regional Division.

The war has limited our activities but we have had two very enjoyable terms under excellent officers and splendid supervision by our faculty advisors.

We invite all students, who are interested and eligible, to join.

The Star and Key Society, one of the oldest organizations in Alameda High School, has, during the past year, remained true to its tradition of active participation in school affairs. In addition to the regular meetings of the Society, the members have sponsored a student meeting and have made a one hundred dollar War Bond purchase.

President Binford Randolph, and the other officers who were Irene Coupe, Vice President, and Virginia Heseman, Secretary, have presided over many entertaining meetings and have accomplished a great deal in the Society's affairs.

A student on the term honor roll is eligible for membership in the Society. Membership for three consecutive or four non-consecutive semesters entitles a student to life membership in the organization and a red seal on his diploma. Life members may also wear the Star and Key pin.

So, if you find that you have these qualifications to join the Star and Key, join today and take part in the fun that awaits you at the meetings.

The French Club, one of the largest language clubs in the school, has, during 1942-1943 maintained its high standard of activity in school affairs. Added to this, the members have been very busy working for defense by buying war bonds and stamps. The girls of the club are finishing an afghan for use of service men in one of the navy hospitals of our country, and soon expect to make many more.

To carry on with our club activities, a very successful gardenia sale was sponsored this spring.

Even in war time the meetings have been very entertaining and Le Cercle Francais is looking forward to many happy meetings in the future.

This term the Spanish Club celebrated the twentieth anniversary of its founding. Each year since its beginning, the Club has been an active organization with a good number of students of Spanish taking part in the meetings. This year, however, the Club has the largest enrollment in its history, with more than a hundred students holding membership cards.

The meetings of the year have been up to the standards set by previous groups. The meeting with the largest attendance of the Fall term was the annual Christmas party, with entertainment typical of a Mexican Christmas party.

During the Spring term the outstanding meeting was the one held on April 14, Pan American Day. Among those who contributed to its success were Robert Coon, Maxine Brown, and Jack St. Claire. The last meeting of the term was the showing of a new color film of Mexico.

The officers of the year merit the thanks of the members for their constant efforts to provide interesting meetings.

The Girls' Association of Alameda High School is open to every girl in the school whether she pays the Association dues of ten cents a term or not. We issue no tickets, we keep no records of those who do not pay; we just trust that every girl will want to be a member of the organization which directs girls' activities, girls' interests, and girls' social service in the High School.

When it is time to welcome the incoming Freshmen, we are especially busy making plans for an afternoon of fashion shows, refreshments, and dancing. The Senior girls act as "big sisters" at this time. This term Kathy Malquist, Vice-president, was chairman of the Freshman Reception.

A very enjoyable band from the Coast Artillery was presented by the Girls' Association to the student body this term. This was enjoyed by all of the students.

This past term has been a very successful one under capable leadership of President Barbara Roth. The meetings were very interesting and instructive to all.

It is our sincere hope that the girls will always be as proud of this organization as they have been in the past.

When the Men's Association was reorganized in 1941 the purpose was to sponsor Alameda High School Sports. The first two administrations, under the management of Bob Clifford and Ernie Kellberg, have lived up to this standard. Last fall we sponsored a football rally and this spring we held a very successful boxing match featuring Alameda High School boxers. We had several interesting meetings including some sports talks, and an Army Air Corps picture. The Men's Association held a very successful dansant this spring. We hope that future Men's Association presidents will be as active as the last two have been.

GIRLS' BLOCK "A" SOCIETY

The Girl's Block "A" Society is an organization of the G.A.A. Its purpose is to promote an interest in girl's athletics, to develop leadership, to cooperate with the school and other organizations in any worthy project.

The large yellow and white pom poms which the Block "A's" sold in the fall were a colorful note at the football games.

Seven new members were initiated at the end of the fall term. The initiation was followed by a roller skating party.

This term the society has been particularly interested in assembling materials needed by the Red Cross for child care.

The membership of the Boy's Block "A" Society is selected from those boys who have won a block "A" in some sport.

Because of gas rationing the annual picnic was a matter of doubt for some time. However, under the able guidance of Bob McCreery and the other officers, both the picnic and the initiation of new members were held late this semester.

VICTORY CORPS

The Victory Corps was organized to sponsor sales of war bonds and stamps. Through their efforts the student body qualified for the U. S. Treasury Minute Man Flag on May 24th.

CAFETERIA STAFF

In spite of rationing and shortages, Mrs. Duncan and the cafeteria staff are serving a greater number of students than at any time in the fourteen years during which the cafeteria has operated.

JUNIOR RED CROSS

The Junior Red Cross in the Alameda High School has done a large amount of work this year. Many items have been sent to the armed services such as comfort bags, canes, ash trays, game boards and many joke books. The new system of corps has worked out very well this year and we are looking forward to even better work in the years to come.

AUDITORIUM STAFF

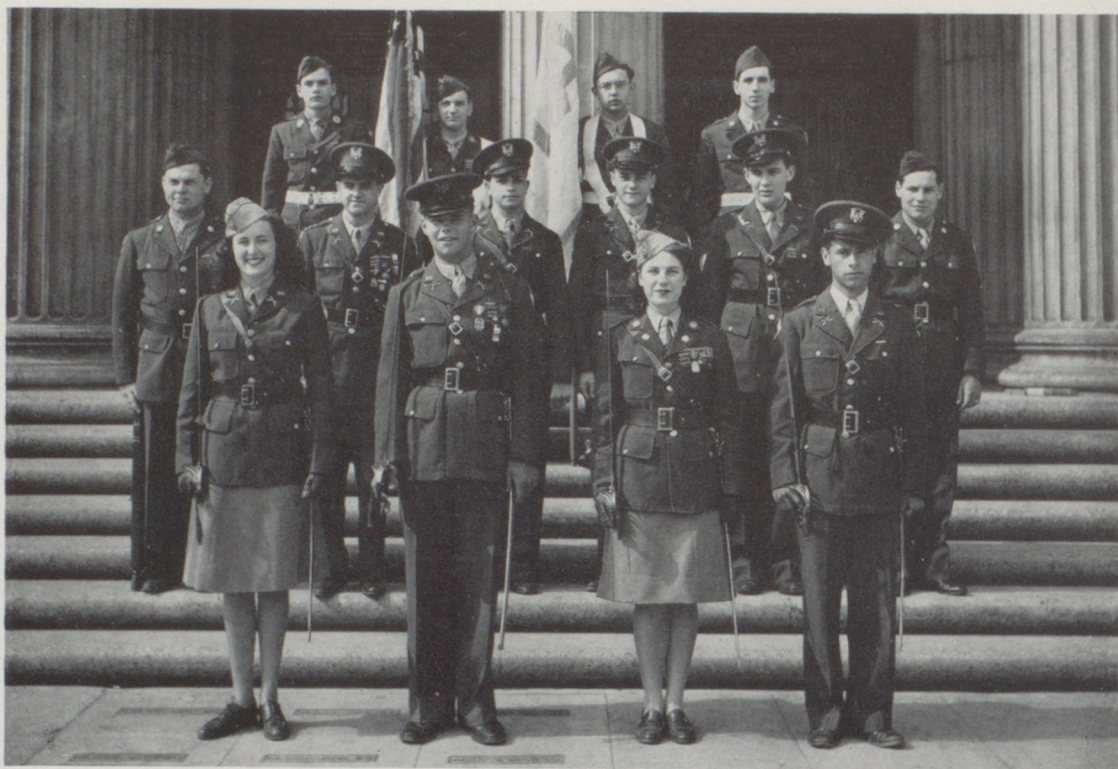

The Auditorium Staff is a school Civic Service Group of trained personnel who aid in handling the public at all auditorium functions. It consists of three groups: Box Office, Doormen, and Usherettes. These volunteer workers have, without praise or glory, rendered an invaluable service to the various classes and organizations.

RESERVE OFFICERS

TRAINING CORPS

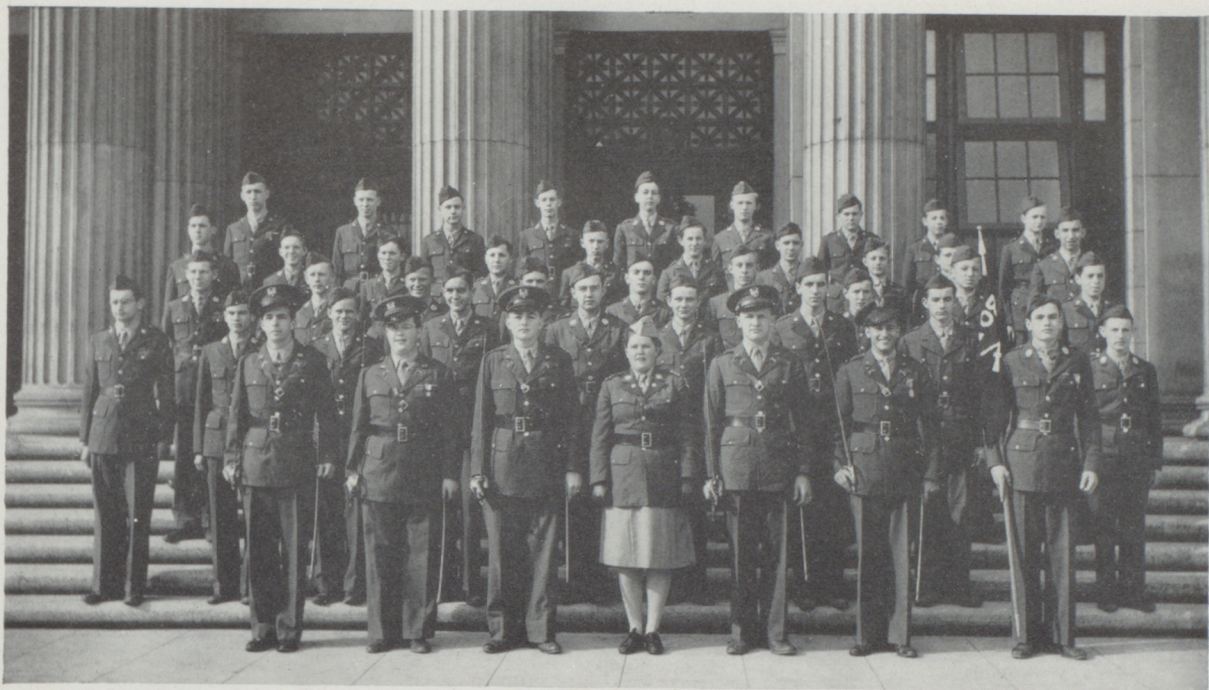

HEADQUARTERS

The Alameda High School R.O.T.C. unit consists of approximately two hundred and forty members who are divided into four companies, a band, and the staff. The unit is under the direction of Col. C. G. Lawrence and Staff Sergeant R. H. Huntington.

The staff officers are Lt. Col. Ernie Kellberg, Honorary Major Maxine Brown, Major Art Velasco, Honorary Captain Joyce Leyland, Captain Peter Valerga, Captain Lloyd Hurwitz, 2nd Lt. Gaylord Helm, 2nd Lt. Charles Hovey, Color Sgt. Walter Schroeder, P.F.C. Arthur Webb, P.F.C. Gene Maurice, Members of the color guard pictured above are as follows: Pvt. David Bernstein, Pvt. John Egga, Pvt. Baily Clinkenbeard, Sgt. Walter Schroeder.

The Alameda R.O.T.C. has the distinction of being one of the few units to have attained honor school standing in the whole western area for the last four successive years. This means the unit has been outstanding in the last four Federal Inspections and has been ranked high by the War Department Inspector.

The Sword and Shield Society is a club composed of the officers and sponsors of the R.O.T.C. Its purpose is to promote a spirit of fellowship among officers and to further social activities and build up the morale of the R.O.T.C. unit.

Last term the members enjoyed themselves at an initiation and a social. We also presented a very successful dansant.

This spring, aside from having a picnic and planning the 20th annual Competition, we had the honor of presenting the 11th annual Military Ball, which has always been a highlight of Alameda High's social calendar.
